Re: Camp Grimes Shuttle Van

In order to provide an additional benefit for our staff members and their families, we have decided to offer the Camp Grimes Shuttle service this season.

We have rented vans for our summer camp program and will be using it also to offer youth staff transportation to and from Charlotte on the weekends. The cost will be \$10 per one way trip to offset the cost of the van and gasoline. An adult staff member will be the driver for the shuttle. Please use this form to place your reservation and attach a check for the number of trips you would like to take.

The shuttle will leave Camp Grimes on Saturday about 11:00 am and arrive at the Mecklenburg County Council service center about 12:30. Scouts will call to give time of arrival. On Sundays, the shuttle will leave at 10:00 am from the Council service center and arrive at Camp Grimes about 11:30 am. We have to leave on time.

This form is to be turned in during staff week. We do not provide the shuttle during staff week.
