Troop 202 works on Frontier Area

Amphitheater Renovations

Monthly Work Days

Individuals and units are welcome to join the MSR M&C Team for monthly work on camp days. Feb 16, March 16, April 20, May 18 (3rd weekend of month), contact Ranger

Troop Service projects

All units are encouraged complete a service project when you are camping at MSR See website for available projects <http://www.mycampgrimes.org/msr.phtml>

Beaver Day

Be sure to put Beaver Day on your Troop's schedule. May 18. On this day an OA Ordeal is held, troops camp and get camp ready to open for the Summer. Tents are set up in the campsites, program areas are prepared, general service projects are completed. This work allows Camp Grimes staff to prepare to teach during staff week instead of setting up camp. Troops can select projects in advance so they can come prepared with tools, equipment and skilled personnel. Details will be on the OA website. <http://www.catawba459.org/>

Summer Camp Handy Man (or lady)

We are looking for Scouters that would like to spend a week at Camp Grimes, fixing and repairing small things.

It's your camp- use it- and help us take care of it.
