

MSR Maintenance Team Launched

A new team of volunteers that will help with maintenance and construction at MSR has started. Its function will be to plan, organize, manage, provide labor, and materials to help make MSR the best camp it can be for youth.

PLANS:

- Organize a team of volunteers to do above job.
- People with particular skills, resources, interest or general help
 - Needed: Plumbers, carpenters, electricians, painters, landscape, HVAC (pros & amateurs) project managers, cooks, computer unskilled help. Can just be on the “ call if needed list”
 - Both individuals and units are welcome
- Scheduled monthly workday for all available to help. Other projects may be done at any time. Will start with 3rd Friday & Saturday of the month.
- Sept 14-15, Oct 19-20, Nov 16-17, Dec 14-15. Arrive night before if desired and work the following Friday or Saturday (at your choice- or both)
- Projects for the workday to be posted on Camp Grimes web site in advance. Also ongoing list of “available” projects.
- Each work day will have a “project manager” to organize people, materials, plans, and to direct projects.
- Develop overall maintenance & construction work list with priorities and budget to manage work.
- Questions or to volunteer for a weekend, put name of mailing list or “call as needed” list email MSR Ranger Chris Williams - RangerMSR@Frontier.com, or Chairman Jim Miles - jim9miles@aol.com
